DOCKETED

AUG 2 2011

Jul 28, 2011

Commissioner Sandra Kennedy  
1200 W. Washington - 2nd Floor  
Phoenix, AZ 85007

Dear Commissioner Kennedy,

APS and Southwest Gas together are asking for your approval to raise average home utility costs almost \$175 a year.

Please do not approve the APS and Southwest Gas requests.

Now is not the time for an average \$175 a year increase.

Thousands of Arizonans are out of work.

There have been no Social Security COLA increases for two years.

The costs of food and gasoline are way up.

Many Arizonans are struggling to make ends meet.

Now is not the time to raise our combined gas and electric rates an average of \$175 a year.

I'm counting on you, as an elected Commissioner.

Please vote NO on the requests to raise our rates an average of \$175 a year.

Thank you.

Sincerely,

Mrs. Barbara Jones

Thousands of Arizonans are out of work. For those receiving Social Security benefits, there have been no Social Security COLA increases for two years. The costs of food and gasoline are way up. Az American Water also wants to raise their rates 70+%. This is all too much as many Arizonans are struggling to make ends meet.

Now is not the time to raise our combined gas and electric rates an average of \$175 a year.
